May 10th, 2010

INVOCATION: We have come, O Lord, into our Rotary Club to be of service to others through the strength of the Rotary objectives. We pray that we might find energy and encouragement to live out the ideal of service in our personal, business and community lives, for the betterment of people in need in our community and in our world of Rotary International. AMEN.

FOUR WAY TEST: In all the things we think, say or do: IS IT THE TRUTH? IS IT FAIR TO ALL CONCERNED? WILL IT BUILD GOODWILL & BETTER FRIENDSHIPS? WILL IT BE BENEFICIAL TO ALL CONCERNED?

Club President's Thoughts

Bill Seleen with the Habitat for Humanity Restore in Green Bay gave a great presentation on the criteria needed to become a recipient of a Habitat for Humanity new home. It was very interesting. He also shared in the operations of the Restore which is located on Ramada Way. What a great concept for our community.

We welcome Mickey Knaus as the next President of the Rotary Club of Green Bay. Her term will start July 1st, 2010-11. Peter Mader will become the next President Elect for a Presidential term starting July 1st, 2011-12. Please congratulate them both on their paths to leading our club.

Congratulations to Kari Moody and Thom Cody with their landslide victories in becoming the next two members on the Rotary Board of our Green Bay Club. Their terms start July 1st, 2010. We are very excited to have them on our leadership team for the club.

There will be two open positions on our Rotary Foundation Board starting July 1st. Each position is a three year term. Rotarians interested in becoming a board member of our foundation, please contact me via email or written response by next Friday, May 14th. The Rotary Club Board will vote on the candidates that following week.

The Belize Children's Program was established shortly after Eugene Verdu, a member of the Rotary Club of Belleville, went to the country as a papal volunteer with the Catholic church in 1976 and was struck by the number of children needing orthopedic care and the lack of available treatment. District leaders heard about his efforts and approached the Shriners Hospital for Children in St. Louis, Missouri, to establish a program and help more children. After sending a doctor to Belize to assess the situation, hospital administrators agreed to provide free care on the condition that the Rotarians make all the travel arrangements, fill out the necessary paperwork, find host families during the kids' stay in the United States, and assume power of attorney for the children, whose parents could not afford to leave their jobs in Belize.

The GSE Team from India will be our guests for the week! They will be sharing informational on their club and journey to America on Monday.

I've missed more than 9000 shots in my career. I've lost almost 300 games. Twenty-six times I've been trusted to take the game winning shot and missed. I've fouled over and over and over again in my life. And that is why I succeed."
