July 20th Meeting

The Rotary Board Members and I will be presenting the 2009-2010 goals to the club. We look forward to sharing those objectives and aspirations with everyone.

Steve Marique, Director of the Lakeland Chapter of the Red Cross, will be receiving a \$500 check on Monday, July 27th generated from the Good News this past quarter. Nice job Rotarians!

Two roads diverged in a woods, and I...I took the one less traveled by, and that has made all the difference.

Club President's Thoughts

Larry Connor's presentation on the NE Wisconsin Cancer Collaborative was very interesting and exciting. The new roof top prayer garden sounds amazing. The new cancer center will make a significant addition to our community. I asked Sue Peot, Larry's assistant running the laptop, to add our club to the invite list for the grand opening!

Rotary Fact

In the early 1990s, New York City had the highest birth rate of HIV-infected children in the United States. Since 2000, only one baby in that city has been born with the virus, says Nicholas, a member of the Rotary Club of Yonkers. Similar trends are appearing.
